RE: Telemarketing Rulemaking – Comment. FTC File No. R411001

Dear FTC Commission,

I am writing to express my opposition to the changes proposed to the Telemarketing Sales Rule. I am a college student, working a part-time telemarketing job to help make ends meet. I believe that your efforts would be better focused on fraud and not the legitimate marketers like the one I work for.

Once again, I would like to stress my opposition and concern regarding the proposed revisions to the Telemarketing Sales Rule. Please accept this letter for consideration before implementing any of the proposed changes. If I can provide you with additional information or testimony, feel free to contact me.

Sincerely,

RE: Telemarketing Rulemaking – Comment. FTC File No. R411001

Dear FTC Commission,

I ~~am~~ writing to express my opposition to the changes proposed to the Telemarketing Sales Rule. I ~~am~~ a high school student, working a part-time telemarketing job to help make ends meet. I work for a telemarketing company, which ~~maintains~~ a company do-not-call list that is enforced. I have been instructed by my supervision on how to handle and honor do-not-call requests. I ~~am~~ ~~aware that my company subscribes to the numerous state do-not-call lists as well as the~~ nationwide federal do-not-call list of the Direct Marketing Association. It seems to me that an additional federal list would be a waste of ~~time~~ and money.

Dear Director,

I am writing you in response to two articles found in this month's AARP Bulletin on the subject of a "National Do Not Call List" for telemarketers.

Prior to subscribing to Verizon's "Call Intercept" service last September, I had been the recipient of, on average, ten telemarketing or solicitation calls per day.

I spend approximately \$100.00 per month for land-line and cellular telephone service and have had to resort to "Caller ID," "Call Intercept," and an answering machine to screen calls,

While these services (though costly) and device have virtually eliminated the problem on our "Residence" line, I have been precluded by, reportedly, a Company Tariff from subscribing to "Call Intercept" on my "Business" line.

It is my position that I am paying for telephone service to be used on my terms; not those of "boiler room" operators!

My elderly mother resides with me and she requires a great deal of rest at various times throughout the day. For this reason, I have had to silence all the ringers on my phones and hope that she hears any incoming, legitimate, messages as they are left by callers,

Neither she, nor I, nor anyone, should have to endure this necessary (under the current circumstances) procedure.

If as many salespeople or solicitors showed up on our front porch as invade our home telephonically, I'd have the Sheriff out here to arrest them!

I have rarely been so incensed about any issue as I am about this one. Any relief you and your colleagues can bring to this situation will be greatly appreciated by me and all, similarly harassed, Americans,

Very truly yours,

Patrick H. Belby

Dear _____ Commission,

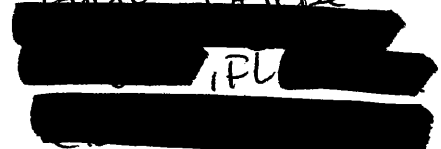

I am writing to express my opposition to the changes proposed to the Telemarketing Sales Rule.

I am a college student working a part-time telemarketing job to help make ends meet. This job works around my tight schedule. The company that works for does have a do not call list that is strongly enforced. I really need this job.

Thank you for my concern in regarding the proposed revisions to the Telemarketing Rule. Please accept my letter for consideration.

RE: Telemarketing Rulemaking – Comment. FTC File No. R411001

Dear FTC Commission,

I am writing to express my opposition to the changes proposed to the Telemarketing Sales Rule. I work for a telemarketing company that employs over 11,000 people across the country. My company maintains a company do-not-call list that is enforced. As a supervisor, I regularly review our do-not-call procedures with the phone representatives to ensure we are in compliance.

Once again, I would like to stress my opposition and concern regarding the proposed revisions to the Telemarketing Sales Rule. I believe these revisions will only hurt the legitimate telemarketing companies and do nothing to combat the fraudulent ones. Please accept this letter for consideration before implementing any of the proposed changes. If I can provide you with additional information or testimony, feel free to contact me.

Dear FTC Commission

I am writing to express my opposition to the changes proposed to the Telemarketing Sale Rule

I work for a legitimate highly-rated telemarketing company - we set high standards for our customers as our employees. I work in the verification quality assurance office; making sure our sales and our representatives are giving our customers the highest quality service possible.

I think of the loss of jobs in our country, our company employ over 11,000 people in just one company alone. Can our great country afford to add more people to its already over-indulged welfare recipients. People need jobs. I would rather have a telemarketer calling my home than a mailbox full of mail
PLEASE SAVE THE TREES.

Target on all of the illegitimate telemarketing companies that sell fraudulent merchandise. For any further information

Dear FTC Commission,

I am writing to express my opposition to the changes proposed to the telemarketing Sales Rule. I am a college student + I have bills to pay. Please, don't take my job away from me! To me, it's not fair to me or to us as telemarketers that we are just doing our jobs + we are getting punished for it. I mean, we're just like everyone else, we're just trying to make a living. Please let us continue to do that.

I am opposed to additional rules and regulations being applied to the FTC - do not call list.

The reason being, it is my only income right now and I am concerned about the impact the revisions might have on the Company I work for. I read, with much appreciation an article in our Lansing State Journal, January 31, 2002 page 2D, about your work to create a "Do Not Call" registry for folks who want relief from unsolicited telemarketing phone calls. I support your work.

Please, address the issue of unsolicited fax messages sent after hours turning reams of paper into waste paper.

Thank you for this service. I look forward to putting my phone numbers on your Do Not Call registry.

Again Thank You!

Dear FTC Commission,

I am writing to express my opposition to the changes proposed to the Telemarketing Sales Rule. I am a college student living on my own, working a part time job to help make ends meet. Telemarketing means jobs. These restrictions might cost the people who can least afford it, like myself, the opportunity to work. I have applied for many jobs. None gave me a chance, not one phone call, or interview because I have never had a job. My parents wanted me to get good grades in school so I can make it to college, they didn't let me get a job. Dial America was the only company that gave me a chance to work. I now make the money I need so I can go to college and learn to live on my own. Take that away I won't have anything. Once again, I would like to stress my opposition and concern regarding the proposed revisions to the telemarketing Sales Rule. Dear FTC Commission,

I am writing this to express my opposition to changes to the Telemarketing Sales Rule. I feel this would cause major revisions, that it would have on my company, which does maintain a do-not-call list, and is enforced. It is the law of the land to honor do-not-call lists. If this passed, every person who signs up for this list might very well represent one lost job. I feel good that I am able to present a family with things that are vital to children's success. That for you time. Again I'm just stressing my opposition and concern due to the proposed revisions to the Telemarketing Sales Rule. I ask that you accept this humble letter, before implimenting any changes
